

2021 GOALS

Expand the CRHL Program by attracting new Program Facilitators and targeting a diverse population of participants.

Offer financial support for low-income individuals and families to advocate for the inclusion of our whole community in the CRHL Program.

Engage Indigenous communities and promote traditional and holistic methods and practice.

Enhance program delivery and clientele base by exploring online platforms to improve accessibility to program features.

Implement diverse programming to reach and engage various demographics, interest groups, and types of people.
