

Bio – Lyle Mackenzie

My name is Lyle Mackenzie. I am a 46-year-old hardworking family man with deep roots stretching beyond the last century in the North Thompson Valley, having spent almost 40 years establishing myself in Clearwater—a slice of paradise I have no intentions of leaving.

I have a beautiful family, including two daughters aged 13 and 11, and care deeply about the future of this community for generations to come. A graduate of Clearwater Secondary School, I hold a welding trade ticket from Thompson Rivers University and served two terms (2018–2026) as a Councillor for the District of Clearwater.

Employed locally with CN Rail since 2011 and serving as Foreman, I manage core mainline track between Blue River and Kamloops. I offer a practical, blue-collar approach grounded in asset management, fiscal accountability, and workplace safety, combined with an open mind and the ability to find solutions with all walks of life.
