

Bio for Theresa Braaten

If you don't already know me, I'm Theresa Braaten, and I'm asking for your support for a second term on District of Clearwater Council.

I've called Clearwater home for 41 years, and this community has always been very important to me. I care deeply about the people who live here and the future we are creating together.

Serving our community is something I genuinely value. During my first term, my focus was on listening to residents, understanding their concerns and challenges, and doing what I could to support them. I've also learned a great deal about local government and the responsibilities that come with serving on Council and I'm happy to say I truly enjoyed the experience!

If you found me to be a supportive and approachable voice during my first term, I would greatly appreciate your vote and the opportunity to continue serving Clearwater.
